

Celebrating 10 Years Of The SLK-Class: The SLK 'Edition 10'

It's been 10 years since Mercedes introduced the world to the lovable SLK- Class, and as any good automotive manufacturer knows, that can mean only one thing - it's time to celebrate. To mark the momentous occasion, Mercedes today has introduced an SLK variant they're calling the SLK 'Edition 10', an exclusive SLK model featuring a number of unique design features not found on typical versions of the roadster. Notable highlights include a matte-grey metallic paint finish, dark-grey high-sheen light-alloy wheels in a ten-spoke design, and a black leather interior accented by silver-colored underlays throughout.
