

More AMG Video Goodness: Autoblog.nl Gets Behind The Wheel Of The ML63

{mosgoogle right}In keeping with the previous story's AMG video theme, our main man Vincent over at Autoblog.nl directed us to an article his site ran recently which aims to showcase their time behind the wheel of the impeccably-styled ML63 AMG. Although the article is in Dutch, there's plenty of pretty pictures for all you AMG aficionados to lust after; but even better, there's a short video which manages to capture the super-powered SUV in a number of various stationary and driving poses. Oh the sweet, sweet sound of an AMG-built 6.2-Liter V8...
