

The Smart ForTwo BRABUS And BRABUS Xclusive Make Their World Premier At The Geneva Motor Show

As promised, making their debut today at the Geneva Motor Show are two new members of the smart family: the smart fortwo BRABUS and the smart fortwo BRABUS Xclusive. While I won't go into the specifics of both models, seeing as how I've already done so, what I will do is publish the numerous photos that accompany the new models' premier, giving BRABUS smart lovers a small taste of what to expect when each of the two new models hit dealerships this autumn.
