

It's Official: Mercedes Unveils Details Of The All-New SLR McLaren Roadster

{mosgoogle right}Talk about a surprise announcement... I sat down this morning with my usual cup of espresso thinking it'd be another slow day in the land of Mercedes news, when lo and behold, Mercedes has laid all the speculation to rest and unveiled to the world the new SLR McLaren Roadster. Needless to say, it's a an exquisitely beautiful vehicle (at least when its top is down), sharing the same styling as its coupe counterpart but featuring a fully-retractable top. One question pondered by many before today was whether the SLR Roadster would maintain it's unique butterfly doors, and thankfully, it has. Other than that, not much has changed from the traditional SLR...
