

500,000th Mercedes-Benz Actros Rolls Off Assembly Line At Worth Plant

{mosgoogle right}Welcome back ladies and gentlemen; I hope you all had a splendid summer weekend. To kick things off this sultry June morning comes news that the Mercedes-Benz Actros recently celebrated a momentous milestone, with the 500,000th unit rolling off the assembly plant in Worth on Friday. On hand for the event was the recipient of the milestone vehicle, Herve Street, president of the French shipping company Starâ€™s Service, as well as Hubertus Troska, head of Mercedes-Benz Trucks (Europe/Latin America) and Ulrich Bastert, head of Mercedes-Benz Trucks Sales and Marketing.
