

Mercedes-Benz USA Notes Record Sales In 2007

{mosgoogle right}After heading out of the office a bit early last week, Mercedes-Benz USA's December sales figures were somehow overlooked, so for this I apologize. For those of you who haven't seen them yet, things took a slight turn for the worse in the month of December, with sales at the U.S. division dropping 2.9 percent to 27,301 new units - down from the 28,115 new units in December 2006. Despite the decrease, sales at MBUSA were up for the year, with the final year-to-date total amounting to 253,433 new units - an increase of 2.2 percent over 2006.
