

Mercedes-Benz At The 2008 Mille Miglia Storica

{mosgoogle right}It was 1930 when Rudolf Caracciola achieved sixth place in the overall ranking of the Mille Miglia with a Mercedes-Benz SSK, and it was a year later when he won the event in a Mercedes SSKL. Since then, Mercedes and the Mille Miglia have been enduringly linked, whether it be the numerous victories achieved by Mercedes vehicles over the years or the company's current sponsorship support of the event.
