

Mercedes-Benz Review Roundup: The CLC Sports Coupe

{mosgoogle right}For those of you currently pondering whether or not the Mercedes-Benz CLC Sport Coupe is worth your hard-earned income, a pair of reviews analyzing the new model have been published recently that aim to shed some light on this very subject. As is the case with all our Mercedes Review Roundup installments, you can find excerpts from both reviews along with links back to the complete articles immediately after the jump.
