

The Job Design Aero Series For The Mercedes-Benz CLS550

{mosgoogle right}If youre looking for a way to add a touch of Japanese flavor to your 100% pure-blooded German Mercedes CLS-Class, the fine folks at Job Design have just the aero package youre looking for. Based on the styling of the Lexus IS-F, highlights of Job Designs CLS kit include a new front and rear apron, new front fenders, side skirts, a rear spoiler, and a new set of rims that actually dont look too ridiculous. Completing the package, stacked quad exhaust pipes are present, as is an adjustable air suspension setup.
