

Real World Photos Of The 2010 Mercedes-Benz E-Class

{mosgoogle right}You've seen the high resolution glossy press photos of the new 2010 Mercedes-Benz E-Class, but if you're anything like me, you'd much rather judge a new model's design based on how it looks in the real world. No professional photographers packing Canon EOS 1DS Mark III's; no studio lighting; but rather ordinary, run-of-the-mill photos of a model that's covered with a healthy dose of dirt. And today, that's exactly the look at the 2010 Mercedes E-Class we're bringing you.
