

First Drive: 2007 Mercedes-Benz E550

{mosgoogle right}Thoughts while driving the 2007 Mercedes-Benz E550 sedan through the foothills of the Bavarian Alps: "The perfect car? No such thingâ€is there? It feels wrong that we can find nothing wrong, but the E550 does everything extremely wellâ€but perfectly? We're not going to park this thing until we find a flaw, even if it's no more irritating than a pea under a hausfrau-high stack of feather beds."
