

It's Raining Money: Mercedes-Benz USA's Sales Jump 12.3 Percent In October

{mosgoogle right}Unfortunately I had to head out of the office a bit early yesterday causing me to miss the first round of financials published by our very own Mercedes-Benz USA, and for this I sincerely apologize; if you missed them yesterday, however, here they are - a day late, but exciting nonetheless. In October, sales at Mercedes' U.S. division rose an impressive 12.3 percent to 20,598 new units, the highest ever October on record for the company. This number brings Mercedes-Benz USA's year-to-date total to 197,599 units, an increase of 13.2 percent over the 2005's ten month ytd total.
