

Video Tour Of The UK's New Mercedes-Benz World

{mosgoogle right}As you may remember, a couple weeks back we told you about the grand opening of the U.K.'s Mercedes-Benz World, a complex dedicated to all things MB-related. A museum, on and off-road test tracks, restaurants, boutiques - these are just some of areas visitors to the Mercedes-Benz World are able to partake in. This morning, our good friend Jinx directed us to a short video that highlights the Mercedes-Benz World, offering an even better look at what to expect should you decide to visit the venue in person.
