

Auto Motor und Sport Captures More Spy Shots Of The Mercedes GLK-Class

{mosgoogle right}For those of you following the progress of Mercedes' upcoming small-SUV, the GLK-Class, Auto Motor und Sport recently published a few additional spy shots depicting the model from a number of different angles. Unfortunately, the GLK in the photos is still heavily disguised, so if you've seen the previous shots there's not a whole lot that hasn't already been revealed; but if you've missed the earlier GLK spy shots, here's the latest views of what the mini-GL will look like.
