

Auto Express Group Test: The Mercedes-Benz S-Class Versus The Lexus LS

{mosgoogle right}Coming off its horrid showing last month in Car and Driver's 'Luxury Sedan Showdown', a review that placed it fifth among five vehicles tested, Auto Express decided to give the new Lexus LS another chance to improve on its less than stellar performance by granting it a rematch with the current reigning champion in the segment: the Mercedes S550. Unfortunately for the Lexus LS, the results from Auto Express' review closely mimicked the sentiment's held by Car and Driver. The verdict, for those deliberating between the two:
