

Mercedes Finally Unveils The 2008 C-Class

{mosgoogle right}It's been a long road - one paved with rumors, spy photos, a leaked brochure and a magazine article published a day early; but today, finally, Mercedes has officially unveiled to the world the 2008 C-Class. In the interest of time, I'm going to limit my narrative of the 2008 C-Class in an effort to get the new model lineup's info out as quickly as possible; so I apologize in advance for the lack of my usual literary wit you'll be experiencing for the next several press releases. Nevertheless, I hope you enjoy the info; stay tuned and I'll publish the complete details of the 2008 C-Class as they're released, starting with the following photo collection and overview of the new model lineup.
