

Rejuvenation Of A Classic: Mercedes Updates Its Legendary G-Class

{mosgoogle right}It's hard to believe it's been over 25 years since Mercedes first introduced the legendary G-Class, and yet, despite rumors of Mercedes phasing out the classic model, it remains - a rugged staple of Mercedes' SUV lineup. Today, Mercedes has announced that not only will the G remain, but starting immediately, it will feature numerous new revisions, all of which aim to improve the model's technical aspects to coincide with the rest of Mercedes' impeccable lineup without sacrificing any of the SUV's classic appeal.
