

Weekend Review Roundup: Maybach 62 S, Mercedes S550 And Mercedes CLS 350 CGI Put To The Test

{mosgoogle right}Welcome, welcome, welcome ladies and gentlemen - I hope you all had an absolutely marvelous weekend. To kick things off this frigid February morning, the inaugural order of business which I must attend to is attempting to publish the many tips sent to us over the weekend by you, our beloved readers. First up comes a number of reviews sent to us by our good friends Shiv, Jinx and Andrew - reviews which analyze three distinct models: the Maybach 62 S, the Mercedes-Benz S550 and the Mercedes-Benz CLS 350 CGI. In my usual 'Review Roundup' fashion, I will abstain from commenting on each review; but you can, however, find the complete series of reviews along with short descriptions of each immediately below.
