

Car And Driver Gets First Look At Mercedes' Upcoming GLK-Class Lineup

{mosgoogle right}At a press event in Kitzbuehl, Austria, Car and Driver met with the head of Mercedes passenger car design Hans-Dieter Futschik to witness firsthand the Mercedes' newest addition to its SUV family: the GLK-Class. Although taking photos of the model wasn't permitted, a number of details of the model have been revealed, well ahead of its premier which is currently scheduled to take place in the second half of 2008.
