

## Another Look At The Mercedes-Benz SLR McLaren 722 Edition GT

{mosgoogle right}As you may remember, earlier this month we brought word of a limited edition Mercedes SLR McLaren 722 Edition boasting a number of track-oriented, Gullwing-esque upgrades; but at the time, details were relatively scarce. Yesterday, more about the exclusive model was revealed, starting with the fact that it isn't a factory-direct model; instead, it's a tuned version of the SLR 722 Edition produced by the England-based RML Group.
