

Mercedes Introduces Lifestyle Collection 2008 And Winter Accessories

{mosgoogle right}Welcome back ladies and gentlemen; I hope you all had a fantastic weekend. Over the weekend, Mercedes released details of its latest Lifestyle Collection, as well as a few accessories aimed at making the upcoming winter months a bit more enjoyable. As is typical with Mercedes' Lifestyle Collections, the array of items available is immense, with both a men's and women's clothing and luggage range; a number of children's toys; and various gifts and accessories, including pens, key rings and travel items. For those of you residing in colder climates, winter tires, a ski and snowboard rack, and Rudmatic-Disc snow chain system are just some of the accessories which will no doubt grab your attention.
