

The 2007 WALD S-Class Executive Line

{mosgoogle right} Have you been longing to add a touch of Japanese tuning goodness to your shiny, new 2007 S-Class? If so, the boys over at Jonari got you covered. They sent us info today on the newest addition to the WALD family, the WALD S-Class Executive Line. Similar in appearance to the WALD CLS, the S-Class Executive Line features new front and rear spoilers, side skirts, a trunk lip spoiler, and roof wing. The WALD S-Class you see pictured is also fitted with a sport exhaust system and 20x9/10" Aufzahlen wheels, in case you were wondering.
