Mercedes-Benz Travego With Active Brake Assist To Be Exclusive Coach Of The ADAC Yellow Dream Tour

{mosgoogle right}Another milestone for the Mercedes bus and coach range: the first Mercedes-Benz Travego with the multiple-award-winning Active Brake Assist (ABA) safety assistant was recently handed over to travel operator "Glauch Reisen" at the Mannheim bus and coach plant. The vehicle in question was a Travego L of the latest generation. "We're very proud to see this Travego entering service so soon", said Henri Paccalin, Senior Manager Export Sales, Mercedes-Benz Bus and Coach unit, as he presented the symbolic Travego key to Tobias Glauch, General Manager of Glauch Reisen GmbH & Co. KG. During the 2009 travel season, the new Travego will be the exclusive coach model used for the ADAC "Yellow Dream Tour" programme (yellow being the signature colour of the ADAC, the German automobile club).
