2010 Mercedes-Benz E63 AMG Spied With Minimal Camoflauge

{mosgoogle right}New spy photos have emerged today depicting a scantily clad Mercedes-Benz E63 AMG, which should be celebrating its unveiling in the not too distant future. Not surprisingly, it doesn't look much different than the 2010 Mercedes E-Class fitted with the AMG sport package that we detailed back in January, but of course, the true fun of the E63 lies not in its design, but rather in what's under the hood. Power from the model's hand-built AMG 6.2-Liter V8 is expected to come in around 525 hp, while the rest of the E63's mechanics are expected to receive a major overhaul.
