

New Mercedes-Benz C-Class Special Edition Offers Exclusive Style And Features

{mosgoogle right}For lovers of exclusive cars Mercedes-Benz is proud to announce the arrival of an eye-catching new version of the C-Class on the scene. The new Special Edition is set to draw admiring glances with its sporty, elegant design features, reserved for this model only, a high-quality interior plus some exciting technical highlights as part of the standard specification, including AGILITY CONTROL, ADAPTIVE BRAKE, BlueEFFICIENCY and the Intelligent Light System, ensuring that even the most discerning requirements are met for those looking for refinement, motoring pleasure and a car with a distinctive character. The Special Edition is available as a saloon and an estate and with all the C-Class engines.
