

2010 Mercedes-Benz S63 AMG And S65 AMG: Model Overview And New Features

{mosgoogle right}As you may remember, back in April, Mercedes detailed the revisions they made to their new S63 AMG and S65 AMG variants, and today theyve done so again, this time in even greater detail. In total, theres about five press releases dedicated to the model, so to bring you the info as quickly as possible, Im going to publish the straight press content, starting with a general overview of the changes made to each.
