

2010 Mercedes-Benz SLS AMG Gullwing Photos Hit The Web

{mosgoogle right}Although youve never seen it without its masking, the Mercedes SLS AMG is a model weve come to grow intimately familiar with over the past year. First there were spy photos (and then, more and more spy photos). Then came various press releases detailing the Gullwing â€” some talking about its general attributes, some showing its interior and design sketches, while another detailed Mercedes plan to introduce an electric "eDrive" version of the SLS AMG. But the one thing that we havent seen is what exactly the SLS AMG looks like without any body masking.
