

Mercedes AMG Launches Mercedes SLS AMG Gullwing Webspecial With High Resolution Photo Gallery

If the small sampling of photos we brought you yesterday highlighting the forthcoming Mercedes SLS AMG wasn't enough to satisfy your desire to see the new Gullwing, today we can do you one better. Mercedes AMG has launched a webspecial for the model displaying the SLS AMG in all its unmasked glory, in vastly higher quality than the small pictures we brought you yesterday.

I won't detail again the Mercedes SLS AMG's various features, as you should already be familiar with them from our prior articles on the topic. I will, however, bring you the high resolution photos from the site, giving you a quick snapshot of what the webspecial offers.
