

Kimi To Race For Ferrari In 2007?

{mosgoogle right} Will he or won't he? More rumors are swirling today that McLaren Mercedes driver Kimi Raikkonen has agreed to race for Ferrari in 2007, alongside former F1 world champion Michael Schumacher. If the rumors are to be believed, the Finn will earn \$150 million racing for Ferrari over the next five years. But despite the latest round of gossip, Kimi himself has continued to deny the report. In a recent interview, Raikkonen told reporters: "I have not signed a new contract with anybody."
