Refined Roadsterâ€¦

Living in LA, thereâ€™s no shortage of SL500s â€“ or 55 AMGs for that matter â€“ driving here and there on the busy streets an highways of this bustling city. Positively common, I tell you! But, after spending a week behind the wheel, I can see why so many in this car-crazy town, would choose this roadster as their daily driver, commonness be damned! Itâ€™s simply a joy to drive.
