

## Great value sportiness and the new Special Edition â€™Evolution Sâ€™™

The sleek Mercedes-Benz C-Class Sports CoupÃ© model line, starting from Â£18,530 otr, has a new addition to the range. Called the â€™Evolution Sâ€™™, this special edition is bristling with equipment and retails from Â£19,995 otr.

With three models in the range under Â£20,000 otr, the Sports CoupÃ© offers customers value for money, dynamic sporty good-looks and a high level of specification. The car is ideally suited to both the private buyer and the fleet market, where a customer might choose to drive a Mercedes-Benz over another model because of the high residual value and low cost of ownership.

The new â€™Evolution Sâ€™™ is available with C180 Kompressor petrol engine or C220 CDI diesel engine and is fitted with an Evolution AMG Sports package, which includes:

- AMG bodystyling kit
- 17" AMG 5-spoke alloy wheels
- Leather trimmed 3-spoke sports steering wheel
- Leather/aluminium trimmed sports gearshift lever
- Perforated radiator grille
- Body coloured door handles
- Polished stainless steel exhaust tailpipe
- Alu-tecra aluminium interior trim
- Steering wheel gearshift paddles

- Floor mats with â€™Evolutionâ€™ lettering in the front. The value of additional equipment on the â€™Evolution Sâ€™™ equates to an amazing Â£3,000 and also includes Bi-xenon headlamps with headlamp wash, â€™Evolution Sâ€™™ badges on front wings, rain sensing wipers and 6-disc CD changer. Dermot Kelly, Managing Director Mercedes-Benz Car Group, said: "The Sports CoupÃ© line represents terrific value for money and is priced very competitively. The car's dynamic good looks have always appealed to our more youthful customers and this special edition is another good reason to include it on the shopping list whether you are a private buyer or fleet customer."

The â€™Evolution Sâ€™™ is available to order now in a choice of two paint options: Obsidian Black and Iridium Silver. Customers can also choose between Artico Black or Alpaca Grey interior, or Black Leather, for an additional charge.
